# HIKING AND RIDING WITH ICELANDIC HORSES IN FINNISH AND SWEDISH LAPLAND

POWERUN ADVENTURES

---

## 7 DAYS HIKING AND RIDING IN LAPLAND

Come hiking in the beautiful Pallas-Ylläs national park and visit at the Abisko nature resort, enjoy the views from the saddle while riding with amazing icelandic horses in the lappish wilderness areas. Get to know the lappish lifestyle while visiting at a husky farm, and also learn about dogsledding and hear stories from the sled dog races and journeys with the dogs in the arctic areas. For the whole week you will be guided by a wilderness guide and nature lover, musher who loves also horses and travelling: Sanna Setälä is guiding the group from the airport pick up through the mountains and horseback riding. She knows very well the whole area in

Fell Lapland on both sides of the border, Finland and Sweden. Sanna loves also good food which makes the holiday really enjoyable as we have chosen the best restaurants with good local food. Tasty, fun and full of action and amazing views, that is what this holiday is made about!
